

VISITING RESIDENTIAL FACILITIES

AVEO The Domain Country Club

24 January 2012 Tuesday

We are inviting you to be a part of our initiative which is aiming to introduce you to various Gold Coast residential facilities. By visiting some of them you will gain independent knowledge and learn about full details of their activities, accommodation and financial arrangements. This program is open to you all; to learn and have an idea about different facilities & to know what they are offering to prospective residents their family and friends.

Every month we will visit different facilities with good reputations for you to broaden your knowledge and enjoy a trip out. During each visit you will be able to look at accommodation, learn about their activities, ask questions about financial support & arrangements and sometimes participate in their entertainment program of the day.
