

謹賀新年

G'day Friends,

Happy New Year !!

How was your holiday?

Did you know in China, Korea, and Japan this year is the "Year of Dragon".

"The coming 2012 year of the water Dragon is just about the corner. The Dragon symbol of the 2012 year is an intelligent and laborious worker who never puts aside work though sometimes this leads him to excesses. The water Dragon has enough courage to face challenges and easily finds weak points that stand on his way to success." (Refer: <http://www.gotohoroscope.com/chinese-zodiac-dragon.html>)
